We are happy to offer Baker College veterinary technician students a discounted subscription to Plumb’s Veterinary Drugs at $4.95 per year. A subscription to Plumb’s Veterinary Drugs includes access to crucial information about drug interactions, adverse effects, dosages, printable information sheets for clients and much more. With its continual updates, and robust search capabilities, Plumb’s Veterinary Drugs places the most up-to-date drug information right at your fingertips. Follow the steps below to claim your discount.

**Step 1:** Go to [plumbsveterinarydrugs.com/subscribe](https://plumbsveterinarydrugs.com/subscribe).
**Step 2:** Enter your email address and create a password, then click “Select a Plan.”
**Step 3:** Select Individual subscription
**Step 4:** Provide your billing and credit or/debit card information. Place coupon code PVDBAKER at the bottom of the billing information page.*

**Step 5:** Click "Review Order" and make sure your balance is $4.95.

**Step 6:** Click "Submit Order".

*Please note: This discount is for PMI technician students only. Random audits will be performed and you may be asked to provide proof of student status. If you are not a student you will be charged the full rate. Students must apply discount code when they subscribe in order to receive the discounted rate.

[View our User Guides](#) for more details.

Please let me know if you have any questions.

Best regards,

Rodney
